

## **Enabling Genome Biology with the Illumina Genome Analyzer**

**Join us for a discussion of new next generation sequencing based methods for gene expression analysis , gene regulation studies, and small RNA discovery and screening**

*Courtney Brady, Ph D*

*Gene Expression Specialist*

*Date: MONDAY, April 28, 2008*

*Time: 9.00 - 11.00 AM*

*Place: Leichtag Biomedical Research Building, Rm 107*
